

Inframad, a subsidiary of the Infras Group, is an independent engineering firm established in Madagascar since 1974. Certified ISO 9001 since 2012 and ISO 45001 since 2021, the company provides services that meet international standards, guaranteeing impartiality, rigor, and operational quality. With over fifty years of experience, it supports project owners in the design, engineering, and supervision of infrastructure and development projects, demonstrating a proven ability to handle complex and multi-sectoral operations.

With more than 250 employees, **Inframad** mobilizes experienced teams covering the fields of transportation, water and sanitation, the environment, energy, urban development, civil engineering structures, and port facilities. The company is involved in the entire project lifecycle: preliminary studies, design, detailed engineering, works supervision, commissioning, operation and capacity building.

IDENTIFICATION SHEET

Legal name	INFRAMAD
Legal status	Limited Company
Share capital	10,000,000 MGA
Registration date	18/09/1974
Address	Rue du Dr Rasamimanana - Behoririka BP 677 Antananarivo 101 MADAGASCAR contact.madagascar@infrasgroup.com www.infrasgroup.com +261 20 76 652 43
Fields of activity	Transportation - Public Buildings & Facilities - Energy - Environment - Water & Sanitation
Legal representative	Arnaud de RUGY - Chairman Francis RAMIARAMANANA - Director Michael Dany RANIVO - Deputy Director
Staff	250 employees : 70% are dedicated engineers and technicians working on studies and work supervision projects for our clients
Certification	ISO 9001 ISO 45001

OUR EXPERTISE

Project Management Assistance

- Project planning and monitoring
- Institutional support and advisory
- Procurement and contract award
- Training and capacity building

Engineering Studies

- Feasibility studies
- Preliminary and detailed design studies (preliminary design / detailed design)
- Specialized studies (geotechnical, hydraulic, topographic, traffic, environmental, etc.)
- Tender document preparation

work monitoring

- Works management and supervision
- Quality and quantity control
- Financial and contractual monitoring
- Handover

OUR EXPERTISE AREAS

TRANSPORTATION

- Roads, highways and urban roads
- Bridges and engineering structures
- Railways and urban transit systems
- Airport infrastructure
- Port infrastructure
- Urban mobility

MINING

- Mining infrastructure (roads, platforms, buildings, etc.)
- Exploration
- Mining hydrogeology
- Geological mapping
- Mining geotechnics

BUILDINGS

- Architectural studies
- Administrative, residential, commercial and industrial buildings
- Educational facilities
- Healthcare facilities
- Sports facilities

ENERGY

- Distribution networks
- Transmission networks
- Hydropower plants
- Renewable energy
- Rural electrification

WATER & SANITATION

- Drinking water supply systems
- Wastewater treatment
- Hydraulic and drainage systems
- Reservoirs and water towers
- Irrigation systems

ENVIRONMENT

- Environmental and Social Impact Assessments (ESIA)
- Climate change adaptation
- Air, water and soil quality studies
- Resettlement Action Plans (RAP)
- Coastal and shoreline protection

OUR ORGANIZATION

CERTIFICATIONS

ISO 9001 since October 2012
ISO 45001 since December 2021
ISO 14001 in progress (2026)

VEHICLE FLEET

- Light vehicles
- Four-wheel-drive vehicles
- Motorcycles and scooters

HUMAN RESOURCES

- Multidisciplinary engineers and specialists
- Technical and environmental experts
- Economists and statisticians
- Support and administrative staff

IT RESOURCES

- Advanced AI proficiency
- Desktop & laptop fleet
- Professional software:
CAD, GIS, OA, cost estimation and project management tools
- Printing and scanning equipment
- Secure networks and data backup systems

TECHNICAL EQUIPMENT

- Surveying Equipment:
Total stations, levels, GPS equipment
- Geotechnical Equipment:
Benkelman Beam, troxler gauge

“

*Together, with heart and dedication, we carry projects that unite us.
Side by side, we shape our country's future for generations to come.*

Dany Michaël RANIVO

PROJECTS HIGHLIGHT

Roads & Urban Roads

Year	Project	Client	Funding
2008 – 2027	Construction supervision services for PIC urban road projects in Madagascar: Nosy Be, Diego (Ramena & Joffre Ville), Ambanja, Sambirano Cocoa Road, Sainte-Marie, Toliara, Fort-Dauphin, Mananjary	PIC	BM/IDA - OFID
2019 – 2027	Updating of Detailed Design and Environmental Studies for the entire RN5 project between Soanierana Ivongo and Mananara Nord. Preparation of bidding documents divided into two sections. Construction supervision of Section 1 (Soanierana Ivongo – Vahibe).	AR	BADEA - FSD
2023 – 2027	Studies, management, supervision and monitoring of periodic maintenance works on RN4 (Antananarivo–Mahajanga), RN60/RN63 (Boulevard de Tokyo Ambohimangakely–Iavoloha and bypass road: Ankadimbahoaka–Ankadievo), and RN2 (Antananarivo–Moramanga).	AR / PDDR	BM/IDA
2024 – 2025	Updating of detailed design studies and bidding documents for the rehabilitation and upgrading of RN3 to a 2×1 lane road, Bujumbura–Gitaza section (PK0+000 to PK25+000), Burundi.	AR/PRT Burundi	BM
2020 – 2023	Construction supervision of upgrading and paving works on RN9 between Analamisampy and Bevoay (PK107+400–PK192+780) and between Bevoay and Manja (PK194+730–PK274+844).	AR / PACFC	BAD
2014 – 2023	Technical assistance to the Contracting Authority for the implementation of a road rehabilitation program using the Labour-Based Approach (High Labour Intensity – HLI).	DUEM	FED
2021 – 2022	Upgrading works of the urban section of Toliara (PK0+000–PK1+400), reconstruction of the Ranozaza Bridge on RN9 (PK71+271) and access roads, and construction of a weigh station at PK13 of RN9.	AR	OFID
2018 – 2020	Management, supervision and monitoring of urban road rehabilitation works in the Urban Municipality of Antananarivo, Itaosy Road and Avarabohitra bypass – Lot 1.	AR	BEI
2014 – 2017	Identification study for the rehabilitation of RN6 between Ambanja and Antsiranana (240 km) and update of the detailed design study for the paving of RN5A between Ambilobe and Vohémar (160 km).	AR	UE

Bridges & Structures

Year	Project	Client	Funding
2024 – 2027	Updating of studies and construction supervision for the Mangoky Bridge (880 m) at PK199+700 on RN9, including access roads and the Fenoarivo Bridge.	AR / TAEP	BADEA - FSD
2016 – 2017	Management, supervision and monitoring of reconstruction works for two reinforced concrete two-lane bridges on RN4: PK30+561 (Malazarivo III) and PK374+254 (Manambatomby I).	AR	BM/IDA

Ports & Inland Waterways

Year	Project	Client	Funding
2019 – 2028	Toamasina Port Development Project: studies and supervision of Toamasina Port extension works (Package 2).	SPAT / OCG	JICA
2026 – 2027	Studies, supervision and monitoring of emergency rehabilitation works at Toliara Port, including supervision of landing jetty works at Manambato, Nosy Varika, Mananjary, Masomeloka and Brickaville.	PIC	BM/IDA
2025 – 2026	Construction supervision and monitoring of emergency works at Mahajanga Port.	CERC	BM/IDA
2024 – 2026	Technical assistance to the Contracting Authority for rehabilitation works of Berth 7B and Basins 1B and 2B at Toamasina Port.	SPAT	SPAT
2018 – 2020	Toamasina Port Development Project: supervision of Toamasina Port extension works (Package 1).	SPAT / OCG	JICA

Rail & Urban Transport

Year	Project	Client	Funding
2022 – 2025	Supervision and monitoring of civil engineering works under the Antananarivo Urban Train Project.	Madarail	Malagasy Government
2021	Road studies and feasibility assessment for a Cable Transport System.	Colas / Poma	Colas

Buildings

Year	Project	Client	Funding
2022 – 2027	Engineering and construction supervision services for the rehabilitation and extension of three (3) national high schools - Lot 1 : Saïd Mohamed Cheikh High School (Grande Comore) - Lot 2 : Mixed High School of Mutsamudu (Anjouan) - Lot 3 : High School of Domoni (Anjouan)	MEN Comores	AFD
2024 – 2026	Engineering design and construction supervision services for the development works of the domestic terminal at Antananarivo Ivato Airport (Phase 4) – Terminal B.	Ravinala Airports	Ravinala Airports
2021 – 2026	Architectural studies, construction supervision and monitoring of the renovation works of the World Bank Office in Anosy, Madagascar (main building, basement, etc.).	BM	BM
2021	Preliminary and Detailed Design Studies (APS/APD) for the construction of the new Embassy of Mauritius in Analamahitsy, Madagascar.	Embassy of Mauritius	Embassy of Mauritius

Water supply and sanitation

Year	Project	Client	Funding
2025 – 2028	Construction supervision and monitoring services for Phase 1 of the Integrated Sanitation Program for Antananarivo – Phase II (PIAA2), covering Operations 1 and 2: strengthening the drainage system to prevent flooding in the city center and Antanimena (OP1), and rehabilitation of the drainage network around the stadium and Mahamasina sector (OP2).	AGETIPA – PIAA	AFD
2025 – 2027	Studies and supervision of potable water supply (PWS) works for the Major Northern Centers (Antsiranana and Mahajanga), and design studies for water supply works in Nosy Be.	PAAEP	BM/IDA
2021 – 2026	Supervision mission for works on Canal C3, reinforcement of dikes, and dredged material disposal site.	PRODUIR	BM/IDA
2012 – 2025	Antananarivo Priority Neighborhood Access and Sanitation Project – LALANKELY DAQP I, II & III.	AGETIPA	AFD

Energy

Year	Project	Client	Funding
2026	Volobe Hydropower Project – Update of Detailed Engineering Design (APD), preparation of tender documents, and technical studies for the construction of an airstrip.	CGHV	CGHV
2023 – 2024	Technical assistance to the Contracting Authority for the provision of a 5 MW electrical power supply to the Port of Toamasina, including the construction of an overhead-underground medium-voltage line between the TM1 substation in Bazar Be and the Port of Toamasina.	SPAT	SPAT
2021	Feasibility Study of the Antafofobe Hydropower Project.	VIMA	VIMA
2020	Sahofika Hydropower Project – Technical studies for access roads to the dam site.	Eiffage	Eiffage
2015 – 2020	Feasibility Study of the Sahalanona Hydropower Project.	Intec Gopa	Intec Gopa
2018 – 2019	Environmental and Social Commitment Program – CASIELEC.	Casielec – Jiro Taratra	ONUDI

Environment

Year	Project	Client	Funding
2018 – 2026	Environmental monitoring program for the two international airports of Ivato (Antananarivo) and Fascene (Nosy Be) – Five (5) monitoring campaigns.	Ravinala Airports	Ravinala Airports
2021 – 2026	Awareness-raising and dissemination of the National Standard for Road Infrastructure Resilient to Flooding and Geological Hazards (NIRIPG) in Antananarivo, Mahajanga, Toliara, Antsohihy, Sambava, Fort-Dauphin, Manakara, Fianarantsoa, Toamasina and Antsiranana.	CPGU	BM
2023	Update of the Environmental and Social Impact Assessment (ESIA) and preparation of the Resettlement Action Plan (RAP) for road rehabilitation projects: Lot 1 – RN9 between Manja and Dabara; Lot 2 – RNT12A between Ebakika and Manambondro.	MTP	RPI
2019 – 2020	Development of Standards for Road Infrastructure Resilient to Flooding and Geological Hazards (NIRIPG).	CPGU	BM
